## Mopars In May Update

As of right now the show is on for May 20 at CSDR. We have had a signed Facilities Agreement since last October. The latest thing we were informed we needed was a plan for the Riverside fire marshal (again something not required in the past) which has been submitted. Flyer for the 2018 show is attached. We plan on being out in the front of the school like we had been for about 10 years prior to all the construction. We are again planning on grass parking with no dirt anywhere near the entrance. The CSDR Culinary Club will be hosting the pancake breakfast.

## Fort Irwin Toy Drive ...

This will also be one of the last chances to see Wild Thang since Phil & Mary Leatherman are moving to Tyler Texas. Since Phil & Mary will not be doing their yearly Christmas party/toy drive for the kids at Fort Irwin, they have asked Inland Mopars if we would continue what they started. As part of that effort we are asking for a **\$10 toy donation** for anyone who would like to help. This will be separate from the opportunity drawing for Friends of CSDR. Anyone who brings a toy will be entered in a separate drawing for an item to be decide on in the next couple of weeks. We will be trying to do several more toy drives between now & Christmas. The Fort Irwin toy drive takes care of 500 to 1200 kids so a lot of toys are needed.

Thanks and see you in May.

Mike Keller  
Inland Mopars Car Show Chairman
